

# TRUMA SPARE PARTS

heating | cooling | controlling

More comfort on the move

TRUMA are manufacturers of products for the caravan, motorhome & leisure industry. Their range of products include: Boilers, heaters, air-con, gas fittings, movers etc, as these products are made for different regions of the world.

To correctly identify individual parts for your Truma products you will need to:

- 1) **Locate the Product Data Plate**
- 2) **Take a photo and/or record the model number of your Truma unit**
- 3) **Contact our sales team by email**  
[sales@rvsupplies.co.nz](mailto:sales@rvsupplies.co.nz)

## Truma serial number example

**25017082**

1<sup>st</sup> 2 digits minus the number 11 = year of production (2014)

017 = the 17<sup>th</sup> day of the year (17/01) – so date of production = **17/01/2014**

Last 3 digits 082 = 82<sup>nd</sup> device produced on that day

**PLEASE ADVISE MODEL NUMBER AND SERIAL NUMBER WHEN ENQUIRING ABOUT ANY TRUMA PRODUCT, OR PLEASE SUPPLY PHOTO OF DATAPLATE.**

Device information: Information about device category, device type, gas pressure, etc.
