TRUMA SPARE PARTS

heating | cooling | controlling

TRUMA are manufacturers of products for the caravan, motorhome & leisure industry. Their range of products include: Boilers, heaters, air-con, gas fittings, movers etc, as these products are made for different regions of the world.

To correctly identify individual parts for your Truma products you will need to:

- 1) Locate the Product Data Plate
- 2) Take a photo and/or record the model number of your Truma unit
- 3) Contact our sales team by email sales@rvsupplies.co.nz

Truma serial numbers

Truma serial number example

25017082

 1^{st} 2 digits minus the number 11 = year of production (2014)

 $017 = \text{the } 17^{\text{th}} \text{ day of the year } (17/01) - \text{so date of production} = 17/01/2014$

Last 3 digits $082 = 82^{nd}$ device produced on that day

PLEASE ADVISE MODEL NUMBER AND SERIAL NUMBER WHEN ENQUIRING ABOUT ANY TRUMA PRODUCT, OR PLEASE SUPPLY PHOTO OF DATAPLATE.
